

# The Legal Bit – The Waiver

**Consent:** I am aged 18+ and wish to take part in a Clip 'n Climb session and /or I give consent for the named under 18(s) to take part. I am the parent/carer/guardian of these climbers or have the permission from their parents/guardians to sign on their behalf. I understand that I/an adult (18+) must remain on site at all times during the session, or the climbers will be unable to participate.

**Medical:** Clip 'n Climb can be a physically demanding activity. I confirm that no-one taking part has any medical condition that may be made worse by climbing at Clip 'n Climb Nottingham; this includes any neck, back, shoulder, hip or knee injury. Anyone pregnant should also take this into consideration as to whether they climb or not. If I have any concerns about myself or any member of my party, I will seek advice from a member of staff. If in doubt DO NOT climb.

**Climbers:** Climbers must be over the age of 4 years (age 2 years on a Family & Toddler session ONLY). Weight restrictions apply: minimum weight of 10kg and the maximum weight is 150kg.

**Clippers/Helpers:** Non-climbers aged 18+ who wish to help clip their climber/s in the climbing arena must attend the safety briefing with their climber/s and wear the appropriate coloured wristband. I understand that myself or other non-climbing adults in my party/group should not enter the climbing arena unless they have attended the safety briefing and are displaying an appropriate coloured wristband.

**Risk:** Clip 'n Climb maintains its equipment to a high standard, provides regular staff training and insures against a major incident or neglect. Due to the physical nature of Clip 'n Climb, minor injuries such as bumps, bruises and scrapes are common and are to be expected as normal. I accept that minor injuries such as those outlined above and similar are likely and agree to indemnify Barbae Ltd t/a Clip 'n Climb Nottingham for claims relating to these under normal circumstances. I understand that Barbae Ltd t/a Clip 'n Climb Nottingham is not responsible for the safe keeping or damage to belongings – we provide secure lockers for the safe keeping of valuables.

**Instruction:** I agree to follow the instruction that will be given to me in the Safety Briefing and to follow any verbal instructions from the Clip 'n Climb staff. I will make sure that I or any member of my party under the age of 18 fully understands these instructions before I/we take part. If Climbers and Clippers do not adhere to any of the safety rules then they may be asked to leave the arena and no refund (part or full) will be given.

**Cancellations:** I understand that on completing a booking with Clip 'n Climb Nottingham I have agreed to the Terms and Conditions (found on the Clip 'n Climb Nottingham Website) stating that I am only entitled to a refund/amendment of my booking if I have made them aware no later than 48 hours prior to my booking. If I have booked/paid on arrival once the climber(s) has gone into the Safety Brief I understand I am unable to receive a refund if the climber(s) decides not to participate.
